Upcoming Releases:

Year 2022 will be super exciting for Quilters' Treasure Chest with multiple pattern releases that will feature up and coming collections from both Timeless Treasures and Island Batik! While I can't share most of the designs with you quite yet, here are highlights including a mock-up of Jewels of the Trade:

Timeless Treasures Tonga Twilight Collection:

- Jewels of the Trade is a super cute pattern that will surely charm your customers!

Island Batik Collections:

- Simply Yours is one of the must haves for a beginner quilter! It is a super easy and quick quilt to make!
- Sevanna is a stunning quilt that is a foundation paper pieced pattern.
- Our first block of the month pattern will delight anyone, but especially all who love using Studio 180 Design's tools!
- There are many other patterns in the works as well, so please stay tuned and sign up for my wholesale-only e-mail newsletter (at my website's wholesale section) so you will be notified about any new patterns!

Tools

All tools mentioned, with the exception of the Bloc Loc tool, are by Studio 180 Design. I started using Studio 180 Design tools as soon as I discovered them. If you are not familiar with them, I highly recommend you take a closer look at them, as they make piecing much more precise and the outcome is so much better than using any other tool!
